

BOARD ANNOUNCEMENT REGARDING PHASE 1 OF GYM REOPENING

The Board of Directors is very pleased to announce the Phase 1 reopening of the gym on Monday, May 17th. Reservations and restrictions will apply. During Phase 1, users must be fully vaccinated and must wear a mask in the Clubhouse and the gym. We will be using the FunFangle application for all reservations this summer. Owners will need to create an account in advance of any reservations at monterayshoreshoa.funfangle.club. Walk-in use will not be available this summer.

The pool season is Memorial Day to Labor Day, but because of the late date for Memorial Day this year, the pool will be available for reservations on Friday, May 28. Again, make reservations through your FunFangle account.

If you rent your house, your renters will be able to create an account as a short-term renter based on your address. Jim will be working with our rental partners to explain the process to your guests, and instructions will be available on our website and posted at the Clubhouse. As with all new computer applications, there may be a few glitches in the early stages. So please be patient. Jim will help work out any problems with you.

As pool season approaches, we will be updating information on our website. Please check periodically at www.monterayshoreshos.org for announcements, operating hours, and updates.
