

CLUBHOUSE NEWSLETTER

APRIL 2022

Hello, this is the first of a monthly newsletter regarding the happenings at the Clubhouse. This issue will mainly be basic information about operations. For those who have not met me yet due to the COVID restrictions, my name is Jim. I have been the Clubhouse Manager since Nancy retired on September 1, 2020.

The clubhouse is now open Monday – Friday 9AM-5PM.

Please use msclubhouse88@gmail.com or 252/453-4945 for assistance with clubhouse and surroundings.

For HOA business please use info@associationconsultantsllc.com or 252/500-0100.

The fitness center is available to homeowners by appointment from 6AM-8PM.

Please create an account at <https://monterayshoreshoa.funfangle.club>. E-sign the release of liability included in the account creation process, and a pin number will be provided asap for off hours access to the gym and tennis courts. An appointment is still required thru FunFangle to use an amenity. The pin number will not work before 6AM or after 8PM. For example, the door will not open at 5:59AM or 8:01 PM.

Kayak spots are open. Please place your kayak and let the clubhouse know your last name, lot # or address, and kayak position. For example, Smith, 925 S. Harbor View, lower rack, top row, middle.

Repairs to the playground area started 3/23/22 and two new spring rider toys will replace the whale and surfboard soon.

The installation of a new mailbox with 16 boxes is complete. The USPS will make the boxes available to homeowners with valid NC identification showing the Monterey Shores address. For more information or to apply for a box, visit the local post office at 1150 Ocean Trail, Corolla, NC 27927 or call 800/275-8777.

The clubhouse is now accepting applications for seasonal full and part time employment. High school and college student children of homeowners are encouraged to apply.

Any questions call me at 453-4945.

Hope to see you this spring!

Sincerely,

Jim Enochs

Clubhouse Manager
